Income*

Annual Income is required for calculating the maximum investment amounts for inter-state crowdfunding (REG-CF)

Net Worth*

Total Net Worth is required for calculating the maximum investment amounts for inter-state crowdfunding (REG-CF)

[In calculating your net worth, you may include equity in personal property, real estate (other than your primary residence), cash, short term investments, stock and securities, which equity should be based on the fair market value of such property minus debt secured by such property. You must exclude the value of your primary residence in the calculation, but you may likewise exclude the balance of any mortgage or other indebtedness secured by your primary residence in an aggregate amount up to the estimated fair market value of your primary residence, except if the borrowing occurs in the 60 days prior to the time of the sale of securities and is not in connection with the acquisition of your primary residence.]

Other

Please include ALL other Regulation Crowd Funding (REG-CF) investments you have made in the past 12 months on any other portal.
